

### Competition

ASH In Bloom 2010 is the first ever “In Bloom” competition for the Parish of Ash, and is taking to the streets and gardens to encourage residents and local schools to make the Parish of Ash a brighter and greener place in which to live.

So why not join in yourself or nominate a neighbour, friend or other Parish resident and enter one of the six competition categories and maybe win yourself or your nominee a prize.

Judging will take place in July and entry is free. The judges will particularly be looking for the use of environmental practices such as peat-free soil, composting, water butts, wormeries etc.

All winners will be invited to attend a presentation ceremony at the Ash Centre in September where there will be an opportunity to meet other category winners, sponsors and also the judges.

So dig out those gardening gloves and tools or go potty with those plants and shrubs and get growing for ASH In Bloom.
