

ASH VICTORIA HALL COMMITTEE ANNUAL REPORT 2016/2017

Management Committee

The AGM took place on 10 October 2016. Dave Brown was re-elected as Chairman and Booking Secretary, Ian Chant was re-elected as Treasurer and Jane Morgan was re-elected as Secretary. The Chairman thanked the Committee for their hard work throughout the year, in particular the Treasurer, the Secretary and Glyn Morgan for his work in maintaining the hall. An additional member was welcomed to the Committee, making the total number of members on the Committee as ten.

Income from hall bookings was extremely healthy and the audited bank balance showed a total of £14,408.85. Although this was a reduction from the previous year it had to be borne in mind that a new boiler and heaters had been installed to ensure that the heating was more cost efficient. The debt to Ash Parish Council had been cleared in July 2016.

Hire of the halls was extremely popular and bookings were flourishing. In fact the hall was now an integral and pro-active part of the community and a recent MacMillan Coffee Morning had raised £800 for the charity.

It was agreed not to increase the hall hire charges for the forthcoming year.
