

Plot 17a

Dear Ash Parish Council,

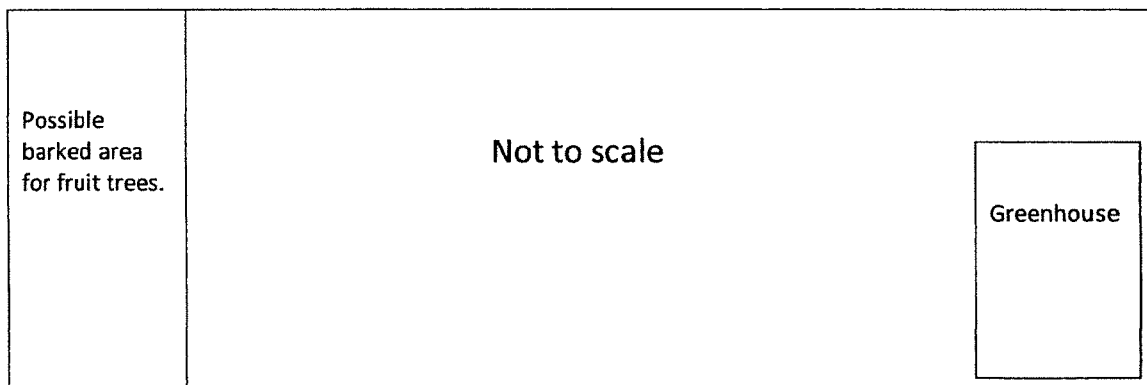

Once I have cleared plot 17a, I would like to seek permission to erect a non-permanent greenhouse within the size that is stated within your agreement letter 6ft by 8ft or 6ft by 6ft (size not yet decided). Also, if I were to use any bark mainly around fruit trees, would this be acceptable if purchased from any repeatable garden centre.

I look forward to hearing from you and getting started on plot 17a.

Kind regards

Plot plans,
