Subject: Draft Climate Change, Sustainable Design, Construction and Energy Supplementary Planning Document (SPD)

Message from Guildford Borough Council Planning Policy Consultations

Dear Sir or Madam,

Draft Climate Change, Sustainable Design, Construction and Energy Supplementary Planning Document (SPD)

Guildford Borough Council has produced a **Draft Climate Change, Sustainable Design, Construction and Energy Supplementary Planning Document (SPD)** and will be consulting on the document from **midday Friday 28 February to midday Monday 30 March 2020** (inclusive).

I am writing to you because you have previously indicated that you would like to receive notifications about planning policy consultations. If you would prefer not to receive these notifications in the future, please email us at planningpolicy@guildford.gov.uk.

Supplementary Planning Documents (SPDs) cannot create policy; rather they provide detailed guidance on how the Council will apply planning policy when determining planning applications. This SPD sets out guidance on adopted Local Plan policies that relate to climate change, sustainable design and construction and low and zero carbon energy.

If you would like to comment on the draft SPD, please visit the consultation homepage at <https://guildford.inconsult.uk/consult.ti/CCSDCE20/consultationHome>. Please use the 'Online comments form' to respond to the consultation.

Alternatively, you can let us know your views by emailing planningpolicy@guildford.gov.uk, or by writing to: Planning Policy, Guildford Borough Council, Millmead House, Millmead, Guildford, Surrey, GU2 4BB. Please ensure you make it clear which part of the SPD (page, section, paragraph) your comments refer to.

Printed copies of the documents will be available to view at the Council office main reception at Millmead and in all Guildford borough libraries (during usual opening hours) throughout the consultation period.

Please note that verbal or anonymous comments cannot be taken into consideration. Your comments will be published alongside your name, but your personal details, such as your email or postal address, will not.

We look forward to hearing from you,

Yours faithfully,

Tracey Coleman

Director of Strategic Services
