MINUTE APPENDIX A

PUBLIC ADJOURNMENT.

What are the timescale for responses sent to the council/councillors from individuals?

The Chairman confirmed that all individuals should receive a response in a timely manner.

Could the Chairman therefore confirm why an individual hadn't received a response in the last 5 months?

The Chairman confirmed that he hadn't received the correspondence which was why he hadn't responded and will now look into why he has not received these emails.

A request from a member of the public that councillors check they had received his email of 6th August 2021, as he had only received 1 response.

Not all members were able to confirm if they had received emails.

Can the Chairman confirm what the council is doing over the closure of Ash Ranges?

The Chairman confirmed that he had sent a private letter to Jeremy Quinn in June and had sent a reminder in August but was waiting for a response. He will be chasing this up again shortly. The Chairman confirmed that he would send a timeline tomorrow.

Would the Chairman consider taking the lack of response regarding the closure of Ash Ranges to the Parliamentary Standards Commission?

The Chairman confirmed if required he would refer to them.

What further can be done about the rubbish in the culvert behind Ash Grange School at the end of Love Lane?

The Clerk confirmed that he had contacted Guildford Borough Council and they had confirmed it wasn't their responsibility. The council will look into this further and check on ownership.

Rubbish being dumped behind the gate at Shawfield Lane to the side of the path going over the bridge of the A331?

The council will look into who is responsible for this and report it to them.
