Council reduces cost to Hire Halls and Kitchen

At a recent Council meeting, Ash Parish Council (APC) agreed to reduce the cost of hire of the Halls, Rooms, and Kitchen at the Ash Centre. The adaptable and spacious design enables the fully air-conditioned Centre to serve admirably as a venue for commercial, social events and sporting activities. The Centre has dedicated parking and easy access for the disabled. With each booking, the Centre Staff will prepare the hall to your specification, managing the placement of tables and chairs for you. To find out more about the facilities on offer, and booking charges, visit our website www.ashpcsurrey.gov.uk/ash-centre.

To book the Ash Centre please email bookings@ashpcsurrey.gov.uk or call **01252 328287**.

Ash Parish Council donates £2600 to Royal Surrey Hospital Charity

Throughout each year Ash Parish Council (APC) organises community events, including the Village Fete and Christmas Fantasia. All the Council's profits are collected from these events and donated to a single charity. Following last year's donation to the Frimley Park Health Charity, for the year ending 31st December 2023 APC collected £2600 which has now been donated to the Royal Surrey NHS Foundation Trust. This money can be used to purchase new equipment, support new and enhanced facilities, for example, specialist, reclining chemotherapy chairs for our Chemotherapy Day Unit or help support major refurbishments such as the multi-million-pound Cancer Centre refurbishment. To find out more about this charity, visit www.royalsurreycharity.org.uk.

Coronation Car Park to be resurfaced and parking spaces marked

The Parish Council has confirmed that it is to resurface its free to use carpark at Coronation Gardens, opposite the Victoria Hall. Once resurfaced, car park space markings will be painted to allow a more efficient use of the available space. The design is yet to be finalised, but the Council expects to be able to cater for 48 standard and 2 disabled parking bays. Guildford Borough Council has now removed the recycling bins from this car park as that service has now been withdrawn. The nearest waste and recycling centres are Farnham and Camberley. For more information on how to recycle more from your kerb side, visit www.ashpcsurrey.gov.uk/waste-collecting-and-recycling.

New Clerk at Ash Parish Council

The Clerk of Ash Parish Council (APC), Dennis Wheeler, is retiring following a 45-year career within local government. Dennis joined Ash Parish Council in 2016 and later became the Clerk in 2020. Councillors, Staff past and present have extended their thanks for his many years of service, support, and guidance through his time with the Council and wish him well for the future. Alison Watmore replaces Dennis as Clerk from April 2024. She has worked with Ash Parish Council since 2020 and is looking forward to performing her new role as Clerk. *(From the Left Alison Watmore, Dennis Wheeler).*

Ash Youth Club update

The Ash Youth Club Management Committee continues to meet regularly as it fundraises. Their aim is to raise funds to employ a Youth Worker, which will enable an Open Access Youth Club once a week for 11 to 17 years olds.

Hedgehog Highway Project

As part of the Council's objective to promote Biodiversity within our Parish, the Council is supporting the Hedgehog Highway project by donating "Hedgehog Highway Surrounds" and Hedgehog Houses to local schools including Shawfield Primary School, Ash Walsh Infant & Junior School. A Hedgehog Highway is a 5-inch gap in a fence or wall allowing access for Hedgehogs. Other names include 'Hedgehog Door', 'Hedgehog Hole' and 'Hedgehog Tunnel'. These gaps are essential in the battle to prevent the extinction of Hedgehogs. The Hedgehog Highway allows hedgehogs to forage for food, meet mates to breed, and access nesting sites. If you would like to create your own Hedgehog Highway, visit hedgehogsrus.co.uk.

Get involved with the Basingstoke Canal Society:

The Basingstoke Canal Society (BCS) are guardians of the Basingstoke Canal and have been promoting and campaigning for its future since 1966. The BCS are responsible for the upkeep of the Canal, however

The Basingstoke
Canal Society

they continue to struggle to raise the funding needed to maintain the Canal. The Society has stated there is currently a £120,000 shortfall and warns that the survival of the Canal is at risk. As such it has taken action to involve the Community and local businesses with their campaign 'Keep your Canal Alive'. You can become a member for £15 per year. Visit basingstoke-canal.org.uk/keep-your-canal-alive for more information or use the QR code from your mobile device.

The BCS currently has over 290 volunteers, who provide 28,000 hours work per year. These Volunteers are critical to keeping the Canal alive and available to all to use for exercise, sport, relaxation, etc. It's a fantastic local amenity but without our Community's collective help, it is at risk of falling back into disuse. The BCS are currently recruiting for a number of roles, such as Project Leaders, Fundraiser, Marketing, IT Support and more. The full list is available on their website basingstoke-canal.org.uk/get-involved/volunteering/volunteering-roles. You can also enquire via phone **01252 370073** or email info@basingstoke-canal.co.uk.

Get involved with the Community Street Team

The Community Street Team have, after 12 years, 'grown their wings' and morphed from just going out to talk to young folk to now helping at local events. We all say "what a lovely community Ash & Ash Vale are" – very true! Would **you** like to help our wonderful Community?

Just an hour or so when needed, at Community events in Ash and Ash Vale such as the Village Fete in June, the Youth Centre (hopefully opening soon), Lakeside Nature Fun Day, Remembrance Day, and Fantasia. Some of the existing volunteers continue to go out talking to anyone, and in particular youngsters who enjoy a cup of hot chocolate. However, the Street Team now do need more volunteers to help with the local events. Would **YOU** like to give an hour or two to help our community? If you would like to know more, please contact Pat Scott scott.lpd@outlook.com.

Ash Road Bridge update

Guildford Borough Council has advised that work on the Ash Road Bridge has been forging ahead, despite the impact of several storms over the winter months. The sites have been cleared, site offices installed on the south site, embankments constructed, and piling completed on both sides of the railway. Traffic management is in place with Foreman Road closed between Ash Church Road and Foreman Park. Traffic is being diverted along Grange Road. A **Community Forum** has been set up to give local people an opportunity to ask questions and voice concerns about the project. The first forum was held in November 2023. If you're not already signed up and would like to be involved, please email AshRoadBridge@VolkerFitzpatrick.com.
