THIS IS NOT A CIRCULAR

Surrey Highways

Merrow Lane

Guildford

Surrey

GU4 7BQ

23 October 2024

Dear homeowner or occupier,

We will soon be commencing works on London Road as part of a Road Safety scheme to install a signalised pedestrian crossing on London Road just south of its junction with Winterhill Way.

The works will be done mainly in the daytime under a lane closure with temporary traffic lights and will involve footway widening, traffic light installation, streetlighting works, high friction surfacing, lining/signing and some vegetation clearance.

28 October for 4 weeks 10am to 4pm

London Road will have temporary traffic lights and a lane closure

Please note that the works between 28 October and 1 November will only involve preparatory works for the signalised crossing. Works on installation of the signalised crossing will only be done subject to the outcome of the consultation.

The Notice for the signalised crossing ends on 1 November. Any objections raised during the consultation will be resolved before the signalised crossing is installed.

London Road possible closure 18 November for 5 nights

London Road may be closed between 8pm and 6am for high friction surfacing and lining works.

We will make sure you can get to and from your house or business when it is safe to do so, however delays may occur. Please talk to a member of our staff on site if you need help – talking to our staff can solve most issues.

Updates

If you would like to sign up for updates on these works, you can do so using the roadworks map at [one.network](#) and searching for your road.

Parking

It is essential to keep the road free from parked vehicles. Please park somewhere else otherwise your vehicle may be towed away to a nearby road.

The work is weather dependant and can be delayed by bad weather or other factors. Please look at our information boards on site for date changes.
