

Wildlife Identification and Meadow Management for Beginners

1-day course at Ash Green Meadows, Ash, Surrey.
Wednesday 4th June 10am - 3.30pm

Join us in Ash, Surrey, exploring the natural world with this free one-day course with conservation company Brimstones. Gain new skills, meet fellow nature enthusiasts and connect with nature. No experience needed.

Participants must be 18 or over and refreshments are provided.

Topics include:

- Butterfly identification and introduction to setting up transects.
- Wildflower identification and recognizing plant families in meadows and woodlands.
- Observing dragonflies and damselflies using FSC guides.
- Tree walk with tips for identifying trees by leaves and bark.

Places on this course are FREE and must be booked in advance. To apply, or for more details, please call Rachel on 07468 367904 or contact greenangels@thelandtrust.org.uk
