23 September 2025

Dear homeowner or occupier,

As part of Surrey County Council's commitment to improving roads and pavements, **Guildford Road, Milford** has been selected for joint repair works.

Our work will take place Monday 6 October for 5 nights, Monday to Friday – 8pm to 6am.

The extents of our works are A3 Milford junction roundabout to Reris Grange Close.

We will make sure you can get to and from your house or business when it is safe to do so. Please talk to a member of our staff on site if you need help – they are keen to deliver the work with minimal disruption to you.

It is essential to keep the road free from parked vehicles to enable the work to proceed as planned.

Working overnight is necessary on traffic sensitive roads to reduce disruption during peak times. It also enables longer uninterrupted working before the closure is lifted for daytime traffic, and results in a shorter period of disruption. There will be some noise, but we will try to carry out the bulk of the noisiest works before midnight.

Due to the fast-moving nature of this type of work, dates can vary from the ones advertised. The work is also weather dependant and can be delayed by bad weather or other factors. Please look at our information boards on site for date changes.

Yours faithfully,

Works Communication Team Leader
