02 September 2025

Dear homeowner or occupier,

We will be replacing the traffic light equipment on Millbrook, Guildford. The council's contractor Yunex will be carrying out these works on our behalf.

Works will take place from 8 September 2025 for 15 nights (Excluding weekends) – 8pm- 5am.

Temporary traffic lights will be in place 24/7 on Millbrook junction with Quarry Street.

The work is weather dependant and can be delayed by bad weather or other factors. Please look at our information boards on site for date changes.

Working overnight is necessary on traffic sensitive roads to reduce disruption during peak times. It also enables longer uninterrupted working, and results in a shorter period of traffic congestion for daytime traffic. There will be some noise, but we will try to carry out the bulk of the noisiest works before midnight.

We thank you for your patience while we carry out these works and apologise for any inconvenience caused.

A Surrey County Council officer has hand-delivered this letter to your property today, if you have any further concerns, please do not hesitate to contact us via our website www.surreycc.gov.uk or you can reach us on 0300 200 1003.

Yours faithfully,

Works Communication Team Leader
