Dear Local Venue,

We need your help!

Surrey County Council is reaching out to ask for your support in promoting the *Surrey Local Offer* - a comprehensive online hub created by the Surrey Additional Needs and Disabilities (AND) Partnership. This vital resource is designed to guide and support parents and carers of children and young people with additional needs and disabilities (AND) as they navigate the Special Educational Needs and Disabilities (SEND) system.

To help raise awareness, we would be extremely grateful if you could display the enclosed posters prominently within your venue. There is no set end date for this campaign, so we kindly ask that the posters remain on display for as long as possible to ensure the widest possible reach.

Thank you for your support. If you have any questions about the materials or would like further information, please don't hesitate to contact me at julie.king@surreycc.gov.uk.

Kind regards,
Julie King
