08 April 2026

Dear homeowner or occupier,

As part of Surrey County Council's commitment to improving roads and pavements, Linkway, Guildford, has been selected for our concrete Fine Milling works.

Our work will take place Tuesday 14 April for 3 weeks. The road will be closed for these works; and traffic management will be in place 24/7. Our working hours 8am to 5pm.

It will be necessary to return during the summer to complete concrete repair and jointing and sealing works. Please look out for signs nearer the time.

We will make sure you can get to and from your house or business when it is safe to do so. Please talk to a member of our staff on site if you need help – they are keen to deliver the work with minimal disruption to you.

It is essential to keep the road free from parked vehicles to enable the work to proceed as planned.

Due to the fast-moving nature of this type of work, dates can vary from the ones advertised. The work is also weather dependant and can be delayed by bad weather or other factors. Please look at our information boards on site for date changes.

To carry out these works we first need to prepare the road by clearing vegetation, you may see us on the road before the above date, however the road will not need to be closed for this.

For more information on our Fine Milling Programme and to sign up for weekly updates please visit our roadworks page: www.surreycc.gov.uk/highways

Yours faithfully,

Works Communication Team Leader
