14. Chair's Announcements. (agenda item 14)

Thank you Councillors for electing me to be Chair of this Council for the upcoming year. Starting off, I wish to thank and recognise the contributions Cllr Fiona White and Cllr Carla Morson have given as Chair and Vice Chair as they step down into this final year, providing a strong, experienced guiding hand to this council as it moved into a new era after the last election. It has been a pleasure to work with them both, and I am looking forward to working with them and the rest of you councillors in the year ahead.

It is an exciting, daunting, and important time for the role of Parish Councils in public life in Surrey, alongside the ongoing reorganisation of local government. With the size and scale of the unitary authorities, our role as the closest form of local government to our residents will be more important than ever and we will need to continue to act in that manner moving forward.

While our powers are overall limited compared to the larger council, we must remain a voice for the residents that live in Ash Vale, Ash and Ash Green. Within that, our biggest responsibility will be to establish a sense of place and community for the Parish, through the events we hold, our open spaces and allotments, the charities we support, the Ash Centre, the in Bloom competition, we must continue to back these and seek to grow them as well, as well as to further engage with our community groups, sports organisations and residents young and old and figure out exactly what they want out of where they live.

My personal mission over the next year and moving forward will be to further bring the Parish Council into the lives of our residents, through communication over social media and face to face as much as possible, listening to what they want to achieve, and how to better engage and integrate that in our decision making. The best way to achieve that will be to be as open as we can be, and I hope you will all join me in this journey.

Part of this will be that I will look to ensure our elected representatives on the higher authorities are formally invited to every council meeting and will look to make a place in the agenda for a report from them on items relevant to the parish can be presented. I want to further engage the young people in the parish in what we and other organisations do and see how to get them involved and excited about where they live.

We can do more to engage positively with everyone in Ash, to make a difference - so let's start.

Moving on to the announcements of this Chairman's announcements. I wish to congratulate our new representatives on the upcoming authority after the elections, with the parish to be represented by Councillors Carla Morson and Phil Bellamy, for the ward of Ash, and Councillors Matt Furniss and Sallie Barker, for the ward of Shalford which includes Ash Green and southern parts of Ash. I wish them all the best of luck in taking up their seats. The first full council meeting of the Shadow Authority is set to take place on 21st May at 2pm in Guildford. Until 31st March 2027, the existing Guildford Borough and Surrey County Councils will still be active, so any queries for services they're responsible for will still need to be directed to the relevant authority.

The emerging Ash Neighbourhood Plan is back in consultation, having been sent for examination in December and the regulation 16 consultation stage being held between January and March. After legal changes that came into force in March, requiring that neighbourhood plans must: contribute to the mitigation of, and adaptation to, climate change; take account of the Surrey local nature recovery strategy; and not result in less housing development than is proposed in the development plan (including the Local Plan).

The examiner appointed to the plan requested that a two-week period would be opened for any responses to those above requirements. This period opened on 11th May and runs until noon on 26th May. Details can be found on the Ash Parish Council website.

A statutory consultation on a Traffic Regulation Order, which looks to enforce a 20 mile per hour speed limit on the roads around Shawfield Primary School, is now live. This is based on a round of engagement Surrey County Council ran earlier this year and covers the streets around the school off of Shawfield Road being reduced to a 20mph speed limit. After the consultation, Star Lane was also included as a road to have a 20mph limit added. The consultation can be found on Surrey's website.

Tomorrow evening at Ash Manor School, there will be a "Policing your Community" meeting held by the Chief Constable, Tim De Meyer, PCC Lisa Townsend and Borough Commander Blaine Rafferty to discuss local policing. Registration details for the event are on the Guildford Beat (Surrey Police) Facebook Page. (6pm-7:30pm)

Finally, roadworks. A number of roadworks will start to appear around the Parish in the next few months, as SGN are undergoing a necessary replacement programme of their gas pipes. On the main roads, the next of these to go in will be works on Ash Church Road, with permits running from today until 3rd July, and Lysons Avenue, until 5th July.
