THIS IS NOT A CIRCULAR

To the residents of Linkway, Guildford

Surrey Highways
Merrow Lane
Guildford
Surrey
GU4 7BQ
01 June 2026

Dear homeowner or occupier,

As part of Surrey County Council's commitment to improving roads and pavements, Linkway, Guildford has been selected for our Fine Milling Programme 2026.

The works will take place Tuesday 16 June for 1 week – 8am to 5pm.

The road will be closed from the junction with Vernon Way to the junction with Woodside Road.

Fine milling is a cost-effective way of refurbishing a road surface. The process involves levelling out the area and repairing joints and cracks. Once weathered, the concrete repairs will fade to a uniform colour.

We will make sure you can get to and from your house or business when it is safe to do so. Please talk to a member of our staff on site if you need help – they are keen to deliver the work with minimal disruption to you.

It is essential to keep the road free from parked vehicles to enable the work to proceed as planned.

Due to the fast-moving nature of this type of work, dates can vary from the ones advertised. The work is also weather dependant and can be delayed by bad weather or other factors. Please look at our information boards on site for date changes.

To carry out these works we first need to prepare the road by clearing vegetation, you may see us on the road before the above date, however the road will not need to be closed for this.

For more information on our Fine Milling Programme and to sign up for weekly updates please visit our roadworks page: www.surreycc.gov.uk/highways
