Dear homeowner or occupier,

Following initial preparation works at Woking Road, Jacobs Well, we will shortly be returning to continue our Surface Dressing 2026 Programme.

The surface dressing work is currently scheduled to take place Thursday 2 July for 10 days - 10am to 4pm.

The work is weather dependent and can be delayed by bad weather or other factors. Please look out for our yellow information boards on site for date changes.

The road will be closed from the junction with Salt Box Road to the junction with Moorfield Road.

It is essential to keep the road free from parked vehicles during the advertised window of work to enable the work to proceed.

As mentioned in our previous letter during the preparation work, there are several stages to Surface Dressing, and where necessary, we will be returning to complete the following:

- Surface Dressing
- Waterproofing and sealing the Surface Dressing (LockChip)

Once the above is complete, the following works will be undertaken under separate road closures:

- Sweeping of loose chippings
- Stud (cat's eyes) replacement where applicable
- Lining

Please note, following works, it can take a few weeks for the lining and studs to be replaced.
