Dear homeowner or occupier,

As part of Surrey County Council's commitment to improving roads and pavements, Glendale Drive, Burpham has been selected for carriageway concrete fine milling works.

**The work will begin Monday 15 June for 11 weeks.**

**Working hours will be 8am until 5pm but the closure will be in place 24/7. Rest assured, resident access will be maintained.**

**The road will be closed from the junction with New Inn Lane, to the northern junction with Gosden Hill Road.**

We will make sure you can get to and from your house or business when it is safe to do so. Please talk to a member of our staff, identifiable by a black hard hat, on site if you need help – they are keen to deliver the work with minimal disruption to you. The team will be available to speak with you nearer the time for each transition in work type.

It is essential to keep the road free from parked vehicles to enable the work to proceed as planned.

The work is weather dependant and can be delayed by bad weather or other factors. Please look at our information boards on site for date changes.

**Please note that all dates are completely provisional. For any updates, further information or frequently asked questions, please visit our dedicated webpage for these works:**

We thank you for your patience while we carry out these works and apologise for any inconvenience caused.
