Wet Weather

Wet Weather Protocol

- The Chairman, Clerk and Parade Marshal will make the decision as to whether the wet weather protocol for the Remembrance parade and service must be implemented on the day by 10 o'clock.
- The Ash Centre has a maximum capacity of 280 therefore this is the total amount that can be in the center for the service.
- An additional capacity of 40 may also be provided within the meeting room.
- The wet weather plan has a position for the band, union flag bearer, piper, clergy, council, organisation groups, who have priority in the Ash Centre before members of the public.
- Once capacity has been reached any members of the public still wishing to participate can do so by standing outside in the car park and listen to the service through speakers where possible
